Accessories for SPAN Panel MLO 48 (PL7R-48MLO225-FG), SPAN Panel MAIN 40 (PL7R-40MID200-FG)

Full installation details at [techportal.span.io](http://techportal.span.io)

## Flush Mount Trim Kit 40/48

The Flush Mount Trim Kit is used for indoor installations with the SPAN Panel to easily cover square holes cut into the wall during installation. The kit includes two (2) plastic trim pieces that slide apart and together to wrap around the Panel. Ensure the SPAN Panel enclosure lip is protruded 1.75" from the finished wall surface.

Part Number	P-00FTK48-3-0
Color	Sand white
Dimensions (on wall)	403 x 1301 mm (15.87 x 51.22 in)
