Accessories for SPAN Panel MLO 24 (PL4R-24MLO225-FG) and SPAN Panel MAIN 16 (PL4R-16MID200-FG)

Full installation details at [techportal.span.io](https://techportal.span.io)

## Flush Mount Trim Kit 16/24

The Flush Mount Trim Kit is used for indoor installations with the SPAN Panel to easily cover square holes cut into the wall during installation. The kit includes two (2) plastic trim pieces that slide apart and together to wrap around the Panel. Ensure the SPAN Panel enclosure lip is protruded 1.75" from the finished wall surface.

Part Number	P-00FTK24-3-0
Color	Sand white
Dimensions (on wall)	403 x 960 mm (15.87 x 37.8 in)
