

Top Caps

Item Number	Description
70-0200-SGA	SGA Top Cap at 2", Mill
70-0300-SGA	SGA Top Cap at 3", Mill

Our heavy duty cast aluminum IronRidge Top Caps secure quickly and easily to schedule 40 pipe with 2 set screws. Available in sizes that fit either 2" or 3" schedule 40 pipe, this Top Cap supports cross (schedule 40) piping with U-bolt hardware. The top caps are manufactured using cast aluminum ALMAG 535 and come with a mill finish. As a reminder, schedule 40 pipe not included. (See page 39 for more information).

2" schedule 40 pipe outside diameter = 2.375" (2 3/8")

3" schedule 40 pipe outside diameter = 3.5"
