

## Network communication cable

### Technical Specification

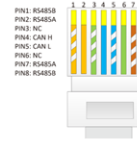

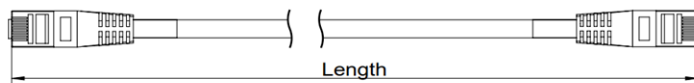

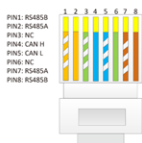

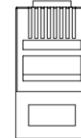

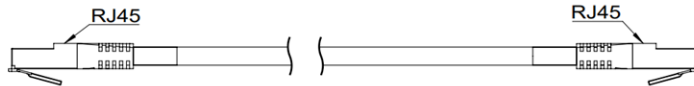

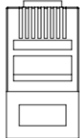

Network communication cable

Data cable cat-5E UTP

Network communication cable	
Cable type	Data cable cat-5E UTP
Transmission bandwidth:	100MHz
Temperature rating:	75°C
Reference Standard:	ANSI / TIA/EIA-568-A
Number of cores	4 Pairs of twisted pairs
Conductor:	Oxygen Free Copper
Conductor diameter	0.51mm
Insulation	PVC insulation
Conductor cross-sectional area	0.20mm <sup>2</sup>
Diameter of insulation wire	0.91mm
Cable diameter	5.0mm
Copper cable terminal	RJ45
Copper cable terminal material	PC

Network communication cable
